

Moving

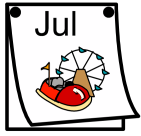

to

Secondary School

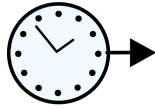

In

July

I

will

be

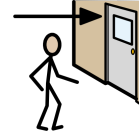

too

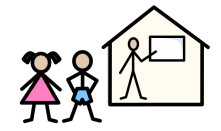

old

to

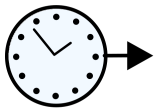

attend

Primary School.

I

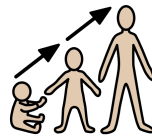

will

be the

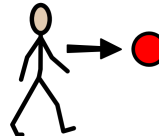

correct

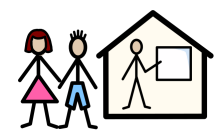

age

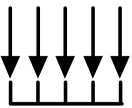

to

move to

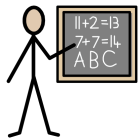

Secondary School.

All of

the

teachers

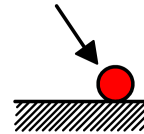

in

Secondary School

are

there

to

look after

me

and

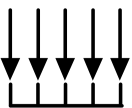

to

teach

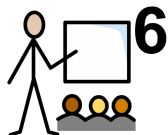

me.

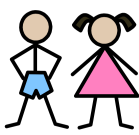

All of

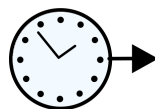

the

Year 6

children

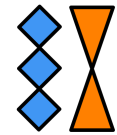

will

be

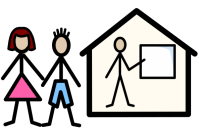

moving

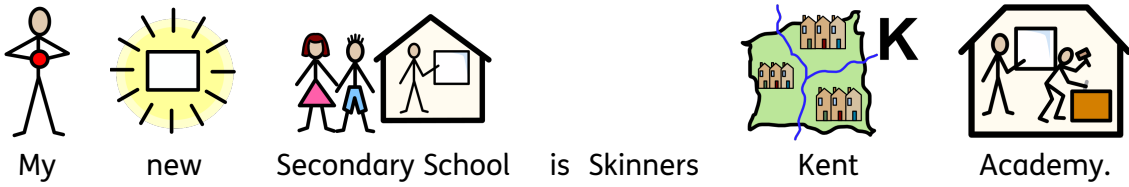

to

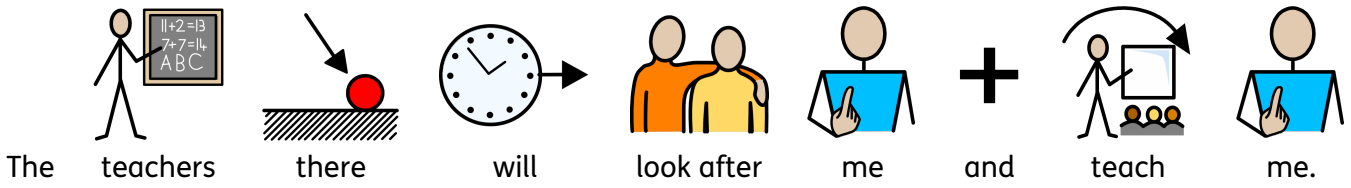

different

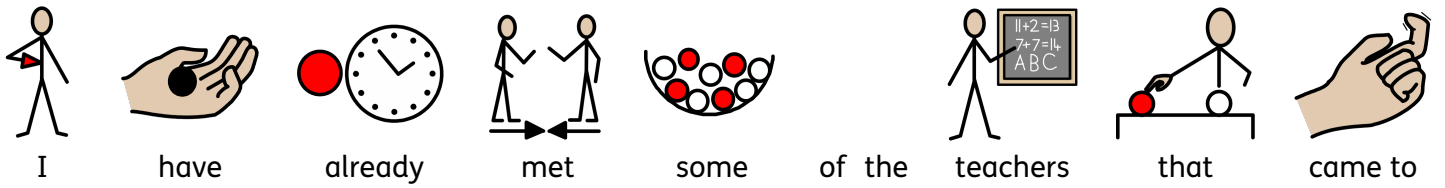

Secondary Schools.

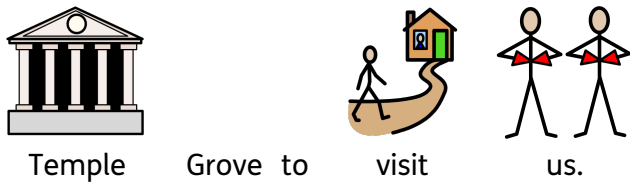

My new Secondary School is Skinners Kent Academy.

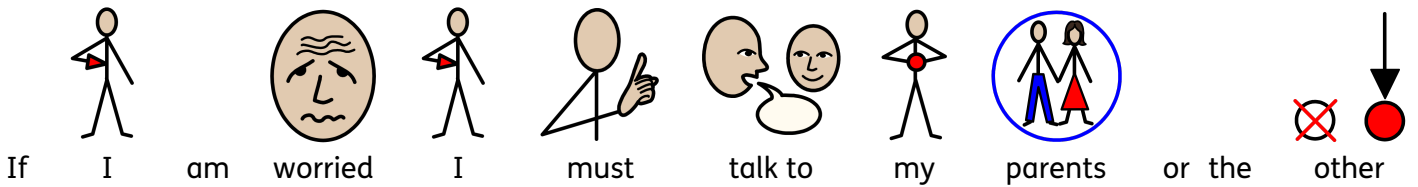

The teachers there will look after me and teach me.

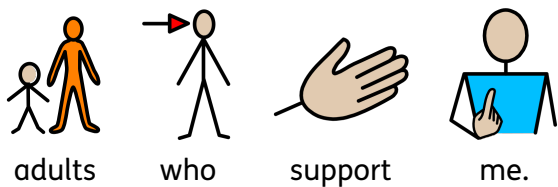

I have already met some of the teachers that came to

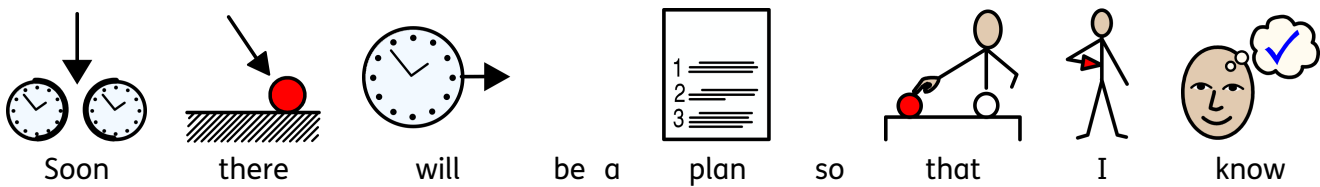

Temple Grove to visit us.

If I am worried I must talk to my parents or the other

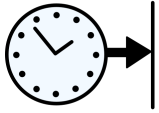

adults who support me.

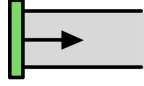

Soon there will be a plan so that I know

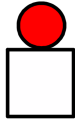

what

time to

start

on

my

first day.
