Dear Parents and Carers,

Academic Year 2020 - 2021

With the end of term fast approaching, I look forward to a new beginning in the autumn term with all children back in school to celebrate the start of a new academic year and with hope for a positive future. The resilience shown by all the children of Temple Grove during this challenging time has been extraordinary, and it is at times like these that we draw on our strength to support one another and to strengthen our community.

I am sure that you are aware that this week the Secretary of State for Education clarified the government's position regarding the opening of primary schools from September, and we can now say with confidence that **we look forward to everybody coming back to school**. We will continue to have safety at the forefront of everything we do at Temple Grove and will send out a FAQ next week to explain the measures we will be maintaining to keep our children and staff safe.

Attendance is now vital for all children and will be mandatory from the beginning of the Autumn Term 2020.

I am delighted to let you know the new teaching teams for each year group from September 2020. As well as our current team of amazing teachers, we are being joined by two wonderful new teachers, Mrs Chavaudret-Rainfay and Mrs Poulter in the EYFS department, both highly experienced teachers.

Each class will automatically move up the school. We are working hard on the curriculum and we all realise that there will be some learning lost for each child. All staff will be revisiting last year's curriculum and then working towards the new year groups curriculum. Transition arrangements will be in place for all children who feel unsure or anxious. We are all here to help.

Picnic Days and Transition

We look forward to seeing all those children who have been working at home, at the picnic transition days next week. You should all have received a letter with details and timings. The children will be able to discuss the move to the next year group and enjoy being together before the summer holidays.
