

Early Years Foundation Stage Newsletter 25th September 2020

Nursery

We come to the end of week two and are so impressed with not only how well the children are settling into nursery and getting to know their classmates but also with how smart they all look!

This week, we discussed the importance of rules for keeping us all safe and happy and enabling us to learn. We vowed to use kind hands, feet and voices; to listen to each other; to share and take turns; to take care of one another and our classroom; and, to work together.

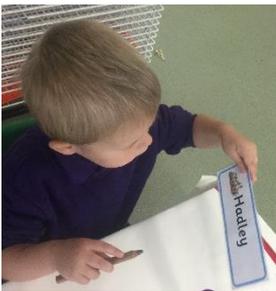

We explored the change in season and went on a welly walk searching for signs of Autumn.

The children have enjoyed numerous activities this week but particularly favoured mark making, exploring numbers, creating artwork for our Autumn display and exploring musical instruments.

Please remember to email any family and pet photos to me to add to our home corner display:

jchavaudret-rainfray@templegroveacademy.com.

Looking forward to the week ahead!

Reception

We have had another great week in Reception. The children are doing really well at learning and using each other's names and have been developing some great friendships. This week we have focused on some of our class rules, which include being kind, listening to others and looking after our resources. We have also been playing lots of listening games to prepare us for our phonics lessons we will be starting soon. The weather has changed and we used this opportunity to paint the puddles, a very fun mark making activity. We are really excited for the 'two halves' of Jeffers Class to join next week, more faces, friends and fun to be had. Our school day will run from 8.45am – 2.45pm and we will continue to use the Greggs Wood road gate. The weather has now turned, so please remember to send your child in with a coat each day. If you haven't already ensure that your child has labelled spare clothes to leave in school, just in case!

If you would like to email a photo for our 'Families' display, please send it to:

office@templegroveacademy.com.
