

Early Years Foundation Stage Newsletter 29th January 2021

Nursery

It has been lovely to welcome the Nursery children back into school, along with a few new faces. They have settled back in fantastically and it has been great to see them back in their routine and interacting with friends. We have been enjoying sharing some traditional tales at school, focusing on Goldilocks and The Three bears and The Gingerbread Man over the last two weeks. The children have enjoyed listening and joining in with these stories. We have been busy retelling the stories with puppets, playing with porridge and spoons, and joining in with repeated refrains. Whilst reading the Gingerbread Man we explored alternative endings, which meant the Gingerbread Man didn't have to get on to the fox's back and come to a sticky end. We thought about how the Gingerbread Man could cross the river without getting soggy and settled on a bridge as a good alternative. We enjoyed building our own bridges from junk, straws, Duplo and wooden blocks.

Reception

Wow Reception you have really stepped up to the challenge! Well done to everyone of you, lockdown is hard, and home schooling is tricky, but you are all doing fantastically! Thank you and a well done to all the parents as well, I know this is not easier, but you're doing a great job. Mrs Gilbert and myself are so proud of you all, and love seeing all of your hard work at home. The pictures and videos you are sending in via Tapestry really do make our days! It also makes filming lessons and stories in my living room a little less silly as I know you are enjoying them at home. Keep up the hard work and hopefully time will continue to fly by quickly and soon we can all be together in school again. Here are just a few photos of some fab learning that has been happening in your homes.
