

Wonderful Home Learning from one of our Year 5 pupils this week – these amazing cakes were made whilst learning all about the Spherification process to make all the tiny spheres to sit on the cakes!

## Reception Class Home Learning

Some wonderful activities based on the story of the Three Billy Goats Gruff

Wonderful phonics, maths and learning about the world.

## **REMOTE LEARNING**

Please find links below to some extra-curricula activities and experiences which parents may enjoy exploring with their children – links also available on class DoJo pages.

### **Keeping Myself Safe**

- Virtual Tour Morrisons - focus on nutrition and health

<https://www.scholastic.co.uk/blog/Virtual-School-Trips-for-2020-21-40676>
- Virtual Tour Morrisons - focus on looking after myself / nutrition and health
- Talks by people from different jobs - focus on the world of work: <https://www.bbc.co.uk/teach/class-clips-video/pshe-ks2--ks3-spark-fire-up-your-future/z4q2vk7>

### **A Message from Miss Maclean** **Snow fun!**

I hope you've had a brilliant time playing in the snow, its so brilliant for you to be outside playing and having lots of fun.

When its really cold I love to make ice decorations. Find some small bowls or tubs fill them with water and some leaves or flowers and leave it outside with a circle of string or ribbons in, then the next day you will have your decorations.

You could go with a coloured theme by adding some paint or food colouring to the water

Or have lots of fun by filling anything you can find- maybe some plastic gloves or a balloon.
