Safeguarding

If you are concerned about the safety or wellbeing of a child please contact the NSPCC on their helpline: **0808 800 5000** or email help@nspcc.org.uk

If you believe that a child is in immediate danger call 999. Our school safeguarding leaders can be contacted by emailing lsprigmore@templegroveacademy.com or telephoning 07835946414 / 07943276854

Message from Mrs Ramsay

Thank you to everyone for logging into Microsoft Teams for your class 'Live Registrations' this week. I have joined in five class Team's meetings this week and it was lovely to see all the children and their happy, smiling faces! Then we have also had snow! What a wonderful experience for us all! It all looked so pretty and gave all the children new excitement – making snowmen, making tracks and making angels in the snow! Do send in your photos.

We also have Chinese New Year this weekend and I know the Ramsay family are planning a nice Chinese meal for Saturday night and then Valentine's Day on Sunday: I always think that all my family are all my Valentines!

Thank you to everyone who took part in our challenges this week. It was nice to see all the work completed. Well done to all EYFS and KS1.

Have a really good half term. Relax, go for some long walks, play in the park, enjoy the lighter mornings and evenings.

Stay alert and stay safe

Isabel M Ramsay

This Week at Temple Grove

Year 2 have been working hard on a nature project all about bees this week. They have been learning about the different types, the bee community and why bees are so important! They have been engaging in some wonderful home learning; a fantastic Queen bee creation, some baking of delicious honey biscuits and an amazing 'Save the bees' poster which is so bright and eye-catching.

Year 2 have also been looking at family trees, here is a super example. They have also been doing lots of snow themed maths activities and challenges as well as their TT Rockstars. Max has over 200,000 coins on his account from whizzing through Garage band!
