Wednesday 24th February 2021

Dear Parents and Carers,

Opening of Schools from 8 March 2021

Yesterday the Prime Minister introduced the Government's "roadmap" to cautiously ease lockdown restrictions in England. We were very pleased and excited to receive the confirmation that we can expect our children to return from 8th March.

Following the Prime Minister's announcement, the Department for Education published further detailed guidance about how schools should manage the full reopening. We are in the process of carefully scrutinising this new guidance to ensure we reopen safely and as soon as possible.

In the meantime, we would like to draw your attention to the following key points from the guidance:

- All Primary school children will return to school on Monday 8th March
- Staff will continue to undertake two rapid COVID-19 tests each week at home.

We will be writing to you again at the beginning of next week with further information on our plans for this return to school for all year groups on Monday 8th March 2021.

Stay Safe and Keep Well.

Yours sincerely,

Isabel M Ramsay
