### A Message from the School Senior Leadership Team:

Dear Parents/Carers,

It's been another busy but exciting week at TGA this week – the days have flown by!

It was a special occasion on Thursday as the school observed two minutes of silence impeccably well. We also had a lovely poetry reading from four of our year 6 students. Children also drew and painted poppies which are displayed around the school building.

We also had online safety sessions with children in years 1 through to 6. These sessions were absolutely invaluable for the children and the staff. One thing that came out of this was that many children revealed they played computer games which are rated either 12, 15 or 18. Can we please ask that all parents are vigilant in ensuring the games children play are age appropriate.

Next week will be school photographs so please remember that ALL children need to be in school uniform on this day. If it is a PE day please pack the PE kit so that children can change into it.

Happy weekend everyone!

TGA Senior Leadership Team

### Work From Year 2:

Year 2 have had a fantastic week! As many children had seen fireworks over the weekend, we discussed what we might see, hear, smell, feel and taste at a firework display. The children produced some lovely descriptive writing, making sure to include adjectives, similes and onomatopoeia. We also carried out an exciting science experiment, measuring how high different balls bounce and in literacy we wrote a newspaper article based on our new book.

### Remembrance Day
