### A Message from the School Senior Leadership Team:

Dear Parents/Carers,

The end of the first half term has arrived and all of the children have certainly earned a well-deserved rest!

However, reading is a big focus for us at TGA, so please ensure your child(ren) are reading daily over the break – the local library has a really good collection of books that can be borrowed.

Year 5 performed their class assembly today, which was really fantastic! They showcased lots of their learning, read aloud some motivational speeches, shared art work and even sang us a song in French! Well done to all of the children in year 5 Blake.

We also had a Prize Giving assembly on Thursday where 5 children from each class were awarded a certificate for achievement in either reading, writing, maths, science or art. See below a picture of our winners from year 1...

Have a lovely, restful half term,  
TGA Senior Leadership Team

A message from the team at our local Cancer Research Store:

“To all involved at Temple Grove Acededemy,

Your local Cancer Research would like to thank you for holding an own clothes day for us during our SU2C campaign.

The money you raised is 100% profit and will go straight into our life saving research.

All the best, kind wishes,  
Ray and the Tunbridge Wells Team.”

See our Head Girl, Hollie, and Head Boy, Henley, with the money raised (left).

Our Police Cadets had another productive session. This week they were focusing on what their social action project will be prior to planning for this in more detail.

### Homework

Homework will be set from the first week of the next half term. It is the expectation that all pupils complete the tasks that they are assigned. To promote and celebrate homework at Temple Grove, each class will have a raffle. Every time a child completes a homework task their name will be written on a raffle ticket. The more homeworks completed, the more chance of winning a prize at the end of every half term!

### Christmas Performances:

Although we are unsure as to whether parents will be able to attend these or whether they will be filmed, we are planning to perform these during the very last week of the Autumn term.

### Holiday Dates:

Our school Trustees have reviewed the holiday dates for the school year and school will now return on Wednesday 20<sup>th</sup> April 2022, after the Easter holidays.

### Librarian:

We would very much like to have a volunteer librarian. If any parents, grandparents or people you know of in the local community would be interested please do contact the school office to arrange a visit.
