A Message from the School Senior Leadership Team:

Dear Parents/Carers,

Thank you for your kind donations of chocolate or £1 this week in return for a whole school non-uniform day. The money raised and the chocolate goodies will be used to fund and stock our stall at St. Philip's Church on 2nd December.

Other exciting news this week includes two visits: one for the whole school and one for years 1 and 2. The whole school had tag rugby and cheerleading sessions on Wednesday and years 1 and 2 had a visitor who conducted very exciting science experiments.

Unfortunately, due to rising cases, our year 5/6 football team were unable to play their first fixture against Speldhurst but they are due to play very soon against Skinner's Primary – I know that Mr. Miles has been impressed with what he has seen so far in training sessions!

With Christmas not far away, teachers and classes will begin decorating their classrooms and communal areas in the coming weeks – almost December!

Have a lovely weekend,
TGA Senior Leadership Team

Forest School:

There will be four Forest School sessions next week as follows:

Tuesday: Year 6
Wednesday: Year 4

Absences:

Just a reminder: if your child is ill please ensure that you either email absence@templegroveacademy.com or call 01892 520562 first thing in the morning. Thank you for your cooperation with this.

 **WE HAVE SPACES AT
ST LUKE'S BROWNIES!**

We have lots of spaces for girls aged 7-10yrs old at 15th Tunbridge Wells (St Luke's) Brownies!

We meet on Tuesdays, 6pm-7:15pm, during term time.

A huge thank you to Asda who very kindly donated 30 footballs as well as a cheque for £500.

Year 4 News:

ICT

This week, Snicket Class researched and recorded their screen time on electronic devices at home and transferred their collected data onto a class computer database where we were able to identify the positive and negative influences on our health. Most children identified that they spend far too long on their devices and identified the need to be more active doing other activities.

PE

We have been so lucky this week as Y1, Y2, Y3, Y4, Y5 and Y6 participated in cheerleading and tag rugby activities. It was so lovely to see our children having so much fun whilst learning about new and exciting sports.

Key Stage 1 Science Workshop:

Years 1 and 2 had a brilliant day yesterday! In their science workshop they made bath bombs and bubble bath mixtures! See pictures, below...
