### A Message from the School Senior Leadership Team:

Dear Parents/Carers,

The first full week back after the Christmas holidays! The wheels are now fully back in motion and learning is back in full swing!

It has been fantastic to see so much learning taking place in all of the different classes and hearing from multiple children how they are enjoying being back at school after the Christmas break.

We are also delighted to announce that our head boy and girl have been invited to Tunbridge Wells Common to plant an Oak tree to celebrate the Queen's Platinum Jubilee. They will then be invited for refreshments afterwards at the town hall.

Thank you for your cooperation in relation to the changes in drop off and pick up times. To clarify, pick up will now be at 3.15 for all children, with the exception of nursery.

Have a lovely weekend,  
TGA Senior Leadership Team

**Year 6 Boys' Writing Group:**

10 of our year 6 boys have been part of a focused writing group for the last six or seven weeks. This week we finished our first book, and all of the boys produced a really good piece of writing. We are now onto our second book, 'A Monster Calls', which we are all looking forward to. Well done to all of the boys for keeping up with the reading that they are to do at home: many of them did much more than they were asked to!

**Homework:**

Please continue to encourage and support your child(ren) to complete their homework. Each week, in each class, we have a raffle. All of the children that have completed a piece of homework will have their name put in the raffle pot, giving them a chance of winning a prize! Reading regularly at home and completing homework is so important as it helps to consolidate learning that the children have completed in school.

**Zones of Regulation:**

As part of our new behaviour policy, all classes have brand new Zones of Regulation displays that the children are always referring to to help support and manage their emotions.
