

Searching for After School or Holiday Childcare? Look no further...

We are based within the grounds of Temple Grove Academy and provide year-round childcare to a number of schools within Tunbridge Wells.

At Hubbub, we like to combine education with fun and adventures during all our activities on and off premises throughout the year.

Children who attend our setting after school can participate in our homework club, craft, science and baking activities amongst many more. We have access to a large outdoor area that we love making use of and we enjoy our trips over the road to the local woods where we can feed the ducks, explore and play.

During the holidays we enjoy various different activities and theme days. We have regular visits from Our Amazing Animal World, trips out to local parks, bowling and cinemas. We do our best to bring educational experiences to the children and make them as fun as possible, so that they don't realise they are learning something new. We love to get messy and have as much fun as possible.
