A Message from the School Senior Leadership Team:

Dear Parents/Carers,

The end of this week has brought sunshine, which always makes everyone that little bit happier! The playground on Thursday and Friday was a lovely place to be! Children were able to make use of the field and a broader range of games could be seen happening all around.

In other good news, we are hoping that from next week (w/b 21st March) parents will be allowed to attend our Friday Star of the Week assembly again. Parents of children who are nominated as stars will be informed and invited to the assembly via Parent Mail on Thursday 24th March.

We always strive to ensure that children bring packed lunches that contain healthy snacks, and the same applies to drinks. Please ensure that water bottles the children bring to school are filled with water only and not squash.

Your child(ren) may have mentioned that we have a brand new outdoor classroom beside our Forest School area. It really does look fantastic and we can't wait to make great use of it!

Lastly, thank you ever so much to parents for your generous donations to support the people of Ukraine, and also for the huge amount of chocolate we received yesterday. Thank you also for your £1 donations to support Red Nose Day.

Have a lovely weekend,
TGA Senior Leadership Team

Situation in Ukraine:

Thank you to all parents who have made such generous donations to support the people of Ukraine. Our school office is filled full of items ready to be taken to Folkestone, where they will begin their journey to Eastern Europe.

PE Kit:

On PE days it is very important that children arrive to school in the **correct** PE kit. Currently lots of children are arriving in clothing of their own choice. Children must come to school in either a white or purple Temple Grove t-shirt. Children who don't arrive correctly dressed may not be able to participate in PE lessons.
