

## **Literacy**

### **Term 5: The Iron Man**

First published in 1968, this modern fairy tale has become a children's classic. The book tells the story of a mysterious iron giant whose destructive quest for food alarms the local farming community. The story is told through the eyes of a young boy, Hogarth, who forms a friendship with the Iron Man. In time the Iron Man turns from villain to hero as the world faces a bigger threat

### **Term 6**

In term 6 we will be selecting another high quality text linked to our theme and will be encouraging the children to read, write and build their vocabulary by using this text to produce independent pieces of writing.

## **Geography & History**

In History (Term 5), we will be looking at technology and how it has changed and evolved over time. We will explore key inventions such as the telephone and their impact on society. We will compare and contrast lives today with what people had in the Victorian era.

# **Summer Term Curriculum**

## **Map**

### **Year 3 Walliams Class**

## ***Theme***

***Inventors and Inventions***

## **Maths**

This term we will be looking at measurement through length and perimeter. We will then move on to fractions, time, shapes and mass & capacity.

## **Science**

The children will gain scientific skills and knowledge through practical and written investigation. We will be building on their scientific knowledge so far whilst exploring the topic of Forces and Magnets.

## **Computing**

In ICT, the children will have the opportunity to visit the ICT suite to learn about simulations and graphing using the Purple Mash scheme. They will also continue to learning touch typing.

## **Art**

We will be linking our art work to our literacy book for term 5. We will be looking at artwork in the 1960s, with a particular focus on pop-art and Andy Warhol.

## **Music**

In music the children will continue learning to play the Ukulele with our specialist music teacher, using Music Plus Digital.

## **PE**

The children will be practicing striking and fielding as well as playing handball. PE sessions are on Wednesdays and Thursdays, children should bring their PE to school to change.

## **RE & PSHE**

In RE we will be looking at Christianity, Islam and Judaism focusing on what different people believe about God. Children will produce poetry exploring their own ideas about God and creation.

We will be looking at the topic 'Valuing Difference' for PSHCE this term.

Year 2 will continue to engage in 'Zones of Regulation' activities to help them build **awareness of their thoughts and emotions.**
