

Anthony Class

Welcome back to a new school year and to Year 2– Anthony Class

This week we have been talking about how we conduct ourselves around the school; walking sensibly and making sure we look smart. This has also got us thinking about how we behave in class. As a group we thought of four different things we thought would make Anthony class a lovely place to learn. The rules are:

1. Sharing
2. Being kind to each other.
3. Showing respect
4. Looking after the resources in class.

We have also had a look at different habitats around the school. We found where different mini beast live and we also created a bug hotel in our class room where 'Ozzy' the woodlouse came to live.

We are working on sitting and listening during carpet sessions.

Mrs Bull

Home Learning

You will receive home learning shortly, however, if you could read with/too your child every night for 10 minutes.

We are still following letter land scheme for phonics. Below is a link you can use to access the parent-guide on what it is and how we teach it. They also have some lovely you tube clips your children can watch to support them in saying the sounds.
