

Reception

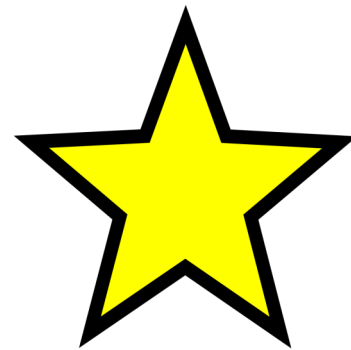

Welcome to your first year of school!

We are very excited to get inside our new class and explore all the wonderful games and activities. I have really enjoyed meeting all the students on home visits this week and I am looking forward to seeing you all in your lovely uniforms! Ms. MacLean

We will soon send home a tapestry letter for you to give us permission to use tapestry to record your child's learning. We will also send out the log in instructions.

You can then check in daily to see all the exciting learning that has taken place each day. Your child will love it if you look through and talk about what they are learning.

Our school values are to show respect, be ready to learn and to be safe. Each day we will show we know these values and will be awarded a star for our best efforts!

Things to remember:

- ⇒ Named water bottles
- ⇒ Contact books
- ⇒ PE kits on Tuesdays—please pack your PE kit and we will change into it at school

Home Learning

Your new home diary will be sent home soon. We will add a list of homework ideas for you to try at home with your child each week.

Please always look for ways to teach children counting and notice writing around them.

Important Date:

Wednesday the 21st of September will be a very exciting day as we will begin our first full day from 9:00am—3:15pm with a full class of 30 students!

Looking at and reading books together is so important and builds a great general knowledge and vocabulary.
