

NEWSLETTER

16th September 2022

Attendance:

Overall school attendance this week is 96.49%.

Congratulations to Year 4 Snicket who are the attendance winners this week with 99.18%! Year 4 will have an own clothes day next Friday (23rd September).

Stars of the Week:

Y1: Hadley and Devan

Y2: Lana and Bobby

Y3: Emily and Tilly-Mae

Y4: Isabelle and Lee-Jay

Y5: Emily G and Ricky

Y6: Arthur and Hana

Safeguarding:

If you are concerned about the safety or wellbeing of a child please contact the NSPCC on their helpline: **0800 800 5000** or email help@nspcc.org.uk

If you believe that a child is in immediate danger call 999. Our school safeguarding leaders can be contacted by emailing stillman@templegroveacademy.com or telephoning 07835946414 / 07943276854

A Message from the School Senior Leadership Team:

Dear Parents/Carers,

This week has been another super week at Temple Grove. It has been great to go into all of the classes and see the wonderful variety of work taking place.

We would also like to warmly welcome Mrs Karam, our new year 1 teacher, to the school. The children in Dahl Class have been delighted by her arrival and we very much look forward to all of the wonderful skills and expertise that she will bring to Temple Grove.

With regards to drop off in the morning, can we ensure that parents do not enter the school corridors to drop children off outside their classrooms. We will also be stopping the one way system, meaning the gate leading into the car park will no longer be opened. To avoid congestion at the main entrance, can older children please wait further away from the main door to support with this.

With regards to parking, only parents/carers with a disabled permit are to drive into the school car park from this point onwards.

Thank you for your cooperation with this.

Have a restful weekend,
TGA Senior Leadership Team

Year 1 Dahl:

Year 1 have had a fantastic week and continue to demonstrate exceptional behaviour. We are delighted to welcome Mrs Karam to Temple Grove as the Class Teacher for Dahl Class!

Year 2 Browne:

This week we have been having a fantastic time focusing on both TT Rockstars and Purple Mash during Maths and ICT. We have already seen children make amazing progress whilst having lots of fun.

Mr Miles and Mrs Tutt

Year 3 Walliams:

In reading, Walliams thought about how an author introduces a new character. To prepare for writing powerful descriptions of a setting, Year 3 considered what their senses might notice in a jungle environment. Walliams have learned to identify and name countries in Europe as well as British home nations.

Mr Smith Chapter 4: p49-55
LO: To notice how an author introduces new characters

Read p49-55 and answer the following questions:

TASK 1: Read p50. What kind of person is Raj, the local newsagent? Find and write two words that Chloe uses to describe him.

TASK 2: On p50, Chloe says that Raj is "a lovely man". Read p50-53 and find examples of Raj being "lovely".

a) Find at least one example of something Raj does
b) Find at least one example of something Raj says

Challenge TASK: Read p52-55:
a) What do you think about Raj's advice to Chloe about talking to tramps?
b) What does Raj's advice tell you about what kind of person he is?

① Empathy: a feeling that you understand someone's feelings.
Empathy to understand someone's feelings.
Feelings Feelings

Chloe said Raj is a big Jovial Jolly man. I think this makes Raj kind and friendly because he offered 7 sweets plus 1 but Chloe said no and started to talk about something something else.

② Raj is kind because he offers some sweets 7 and another one with is one 8 and Chloe ignored it to 55p but Chloe doesn't want it because she now that her mum would find her in the bin something so she said no

See 	maybe he can see in dream the leaves flying and the bird tweeting and flying around and flowers and water waving around and around
Hear 	the night of Pich Soud or monkeys of monkeys and birds tweeting and flapping their wings and making Shaks Stinking their there strong
Touch 	he took the flower and felt the petals and felt the leaves and trees and water was splashing
Smell 	Smelling the flowers and trees and
Feelings/ Emotions 	

LO: To use an Atlas to name some European countries

- I can use a map index
- I find a point on a map using points of longitude and latitude
- I can find and name some European countries

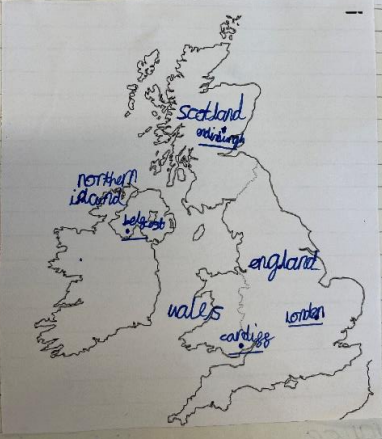

1 United Kingdom	11 Norway
2 Ireland	12 Sweden
3 France	13 Russia
4 Germany	14 Ukraine
5 Italy	15 Iceland
6 Andorra Spain	16 Belarus
7 Portugal	17 Austria
8 Belgium	18 Poland
9 Netherlands	19 Macedonia Greece
10 Finland	20 Slovakia
	21

Thursday 15th September 2022

LO: To know the names and capitals of the nations of the United Kingdom

- I can use a map index
- I find a point on a map using points of longitude and latitude
- I can find and name the home nations and their capitals

Year 4 Snicket:

Year 4 were lucky enough to have Forest School this week.

They learnt all about different leaves and which trees they come from. They then went on a leaf hunt to see how many they could find!

At the end of the session, tasty 's'mores' were enjoyed by all!

Year 5 Blake:

In science this week, Year 5 were learning about gravity and air resistance. We carried out a fun experiment to challenge the misconception that heavier objects fall faster. The children dropped objects of various weights at the same time in order to 'race' them, and see which ones hit the ground first. They were surprised to find that, in many of the races, there was no clear winner!

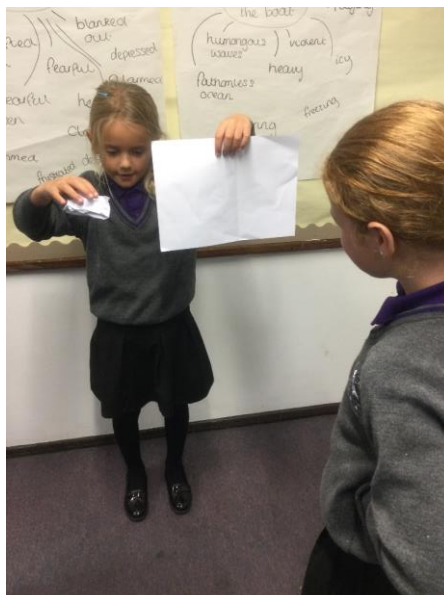

Friday 9th September 2022
LO: To investigate whether heavier or lighter objects fall faster.
I can make a prediction
I can take part in an experiment
I can summarise my findings

Prediction:
I predict heavier objects will fall quicker than lighter objects.
But not all the time.

Heavier Object	Lighter Object	'Winner'
Shoe	Pencil	Tie
Football	Ping Pong Ball	Football
Book	Pen	Book
Full Pencil Case	Empty Pencil Case	Full pencil case
Ruler	Eraser	Eraser
Tennis Ball	10p Coin	Tennis ball
Crumpled Paper	Flat Paper	Crumpled paper

Summary:
Weight of the object doesn't always impact how quickly it falls. Air resistance also slows down bigger objects.

Friday 9th September 2022
LO: To investigate whether heavier or lighter objects fall faster.
I can make a prediction
I can take part in an experiment
I can summarise my findings

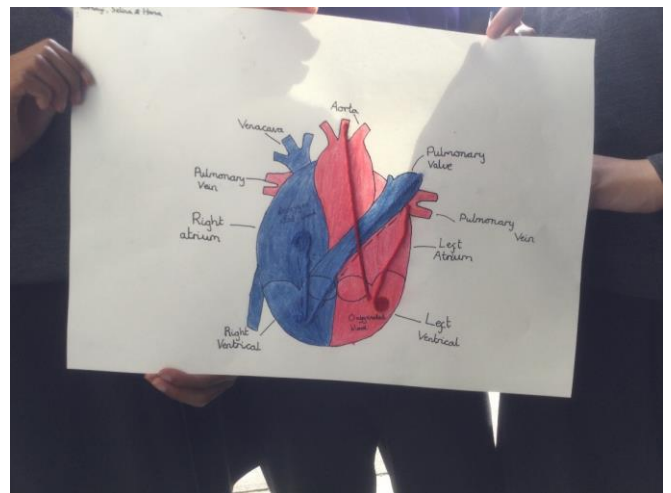

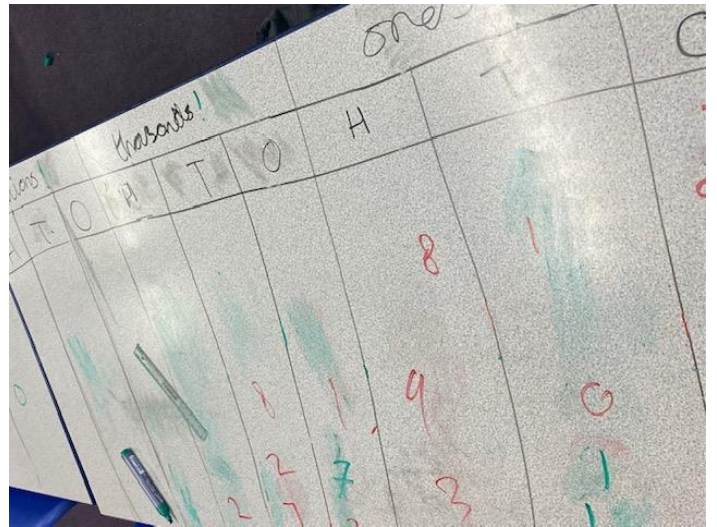

Prediction:
I predict some heavier objects may win against a lighter object it depends on the object.

Heavier Object	Lighter Object	'Winner'
Shoe	Pencil	Shoe
Football	Ping Pong Ball	Ping pong ball
Book	Pen	Pen
Full Pencil Case	Empty Pencil Case	Full pencil case
Ruler	Eraser	Rubber
Tennis Ball	10p Coin	10p coin
Crumpled Paper	Flat Paper	Crumpled Paper

Summary:
Weight does not impact how quickly an object falls. Air resistance slows down bigger objects.

Year 6 Shakespeare:

It's been another fun-filled week for Year 6. We have enjoyed more lessons on place value in Maths and have been fine-tuning our excellent setting descriptions in English. We also got to enjoy a fun workshop on friendship and teamwork from our emotional well-being team. In science, we looked at how the heart works and used wool to try and plot the pathways for oxygenated and deoxygenated blood.

This week here are children who demonstrated our School Value of...

Year 1 Dahl: Harleigh is always respectful during learning and shows excellent listening.

Year 2 Browne: Magnus for being the perfect pupil!

Year 3 Walliams: Logan is always quick to show active listening.

Year 4 Snicket: Keira always sets a good example to her class mates.

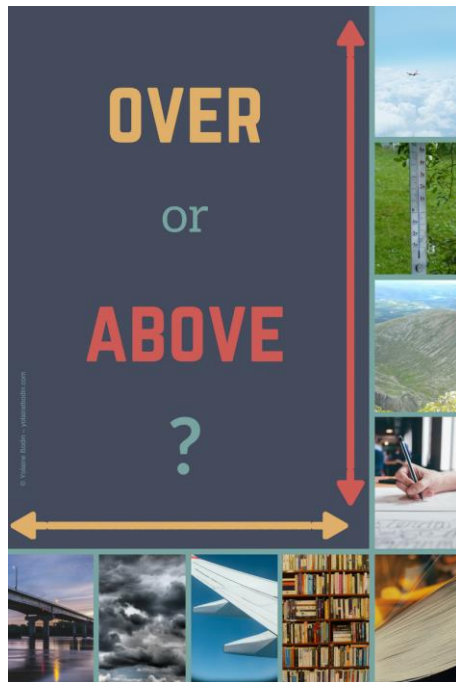

Year 5 Blake: Belle shows respect by listening to and valuing the opinions and ideas of her classmates. She is always happy to listen to others when they are contributing to class discussion.

Year 6 Shakespeare: Fallon consistently demonstrates our class values.

Cosy Corner and Tribute to Queen Elizabeth II

As a tribute to Queen Elizabeth II, Mrs Cardall created a space within our Cosy Corner where children could read and learn about the life of Queen Elizabeth as well as write notes of tribute in a specially made book.

Over and Above Club this Week:

Dahl: Hadley and Arya

Browne: Charlotte and Anwar

Walliams: Jayden and Isabel

Snicket: Akshaya and Sasha

Blake: Tayra and Stanley

Shakespeare: Charlie Ryan and Molly

Harvest Festival

Dear Parents/Carers,

Harvest Festival is not far away. Reverend Rich from St. Philip's Church will be leading a whole school assembly on **Monday 3rd October**, which will focus the festival. We ask parents to

make any donations to the school that they can. We can accept donations from now up until the morning of the assembly. Any tinned foods or items that keep for longer periods of time would be most welcome. We will then donate the items to St. Philip's Food Bank. Thank you for your support with this.

CHRISTMAS JUMPER DAY 2022

Thursday 8 December

On Thursday 8 December, millions of people up and down the country will come together – at their workplace, school or with friends – to make the world better with a sweater.

This year will be TWICE as good as before. Every time you donate £2, the UK government has totally promised to give £2 to Save the Children too.

That means double the funds, double the fun! With all that extra cash, Save the Children has big plans to help mums and babies in Kenya.

With all that extra cash, Save the Children can totally work its magic in Kenya, where, every year, 74,000 children die before reaching the age of five.

We'll help mums-to-be, new mums, tiny babies and bigger kids get the food and medicine they need to be strong and healthy. We're talking 200,000 people you'll be helping – just by wearing a super-Christmassy sweater!

WHAT IS CHRISTMAS JUMPER DAY?

Christmas Jumper Day is Save the Children's annual event which raises money for children in the UK and across the world. Every December, millions of people across the United Kingdom (and beyond!) put on a festive outfit at their workplace, school or with friends and make a donation to help give children the magical future they deserve.

WHEN IS CHRISTMAS JUMPER DAY?

Christmas Jumper Day is on Thursday 8 December 2022.

HOW DO I GIVE?

Use the link, below, to make a donation:
