

Consultation on the closure of Temple Grove Academy - November 2022

I am saddened to announce the closure of the Temple Grove Academy Nursery. Unfortunately, since the covid pandemic, the number of children attending the nursery has dropped significantly making the offering no longer viable.

The nursery will close at the end of January 2023 with the final date of nursery service on Friday 27th January 2023. We hope that by giving you ample notice, you will have time to find an alternative provision for your child.

This has been a difficult decision for the Trust at Temple Grove Academy. The staff have run the nursery with diligence and care, always putting the children’s needs at the heart of their provision. I would like to thank them all for their hard work in creating an excellent provision at the nursery.

I also would like to thank the parents/guardians and carers who have trusted us with the care of your children.

We would welcome your views please.
