Attendance:

Overall school attendance this week is 91.2%.

Year 2 Browne had the highest attendance this week with 92.8%.

As this is below 98%, no class will have an own clothes day next week.

This week, it was delightful to hear that Orla (Year 3) has successfully auditioned as one of the dancers in Dick Whittington at the EM Forster Theatre, Tonbridge. She has been rehearsing every Sunday since September and will do 5 shows this weekend!

We are very proud of her tremendous commitment and hardwork.

Well done Orla!

A Message from the School Senior Leadership Team:

Dear Parents/Carers,

Happy New Year! The first two days of term have been busy with the children settling back into class and immersing themselves in new topics.

Coming up next week, we have a full programme of school assemblies including our regular music and storytelling assemblies. Year 1 and 2 will take part in Forest school and we have a visit from 'High Hopes' who are an organisation who support pupils' spiritual, moral and cultural development in school. Next week's newsletter will include more information about these activities and wider school news.

Going forward, we are planning to revamp the newsletter and your class teacher will send you a link to answer some questions about the information you receive. We would be very grateful for your replies.

Lastly, we would like to say a very big welcome to David Ramsay who has joined the school office team. David will oversee premises and maintenance, and will also work more generally within the school office. He brings a vast amount of experience and will contribute enormously to providing the very best working and learning environment for all.

Wishing you an enjoyable weekend,

TGA Senior Leadership Team

Parent Sessions

Coffee Morning

Temple Grove Academy Nurture Room
Join us every Monday from 9am for a 9:15 start —10am

Emma, your school's Emotional Wellbeing Practitioner, would like to invite you to our parent coffee morning.

Please come along for a chat over tea and biscuits! Every week we will focus on a topic such as behaviour, anxiety, emotions.

The Emotional Wellbeing Team is specially trained to help children at school with their wellbeing and mental health. We understand that from time to time children need additional support so we're here to help. We believe that getting early help can prevent difficulties from getting bigger so that children can enjoy their life.

We work alongside everyone in the school community to promote a 'whole school approach' to emotional wellbeing and mental health. We can also think with parents about their children's feelings and behaviour, sharing information and working together to find a way forwards.

We look forward to meeting you.
