

Dear Parent/Carer,

### **Request for absence from school during term time**

You should not expect the school to agree to any absence for a holiday during term time.

Taking a holiday during term time means that children miss important school time – both educationally and for other school activities. It will be difficult for them to catch up on work later.

Parents do not have a legal right to take children out of school on holiday. The law says that schools have the discretion to grant up to ten days authorised absence in a school year if:

- the parent the child normally lives with applies in advance of the holiday
- there are special reasons for the holiday

Each application is considered individually by the school, considering factors like the timing of the holiday and the child's attendance record. Schools will only consider requests for more than 10 days leave a year in exceptional circumstances.

If you need to take your child out of school during term time you should:

- request the time off for your child as soon as possible and always before the holiday
- never ask for time off during exam or test periods unless for exceptional circumstances
- do not book travel for holidays in term time, until you have sought the school's permission
- remember that the school might not agree to authorise the time off

If you consider an absence during term time to be an exceptional circumstance, please return the form below at least **14 days** before the day you wish to remove your child from school. Please be aware that low attendance to school can affect whether your child will be granted this request.

The form is to be returned to the school office in person or emailed to [absence@templegroveacademy.com](mailto:absence@templegroveacademy.com)

Best wishes,

Mrs. Rebekah Leeves
